About

Hello, I'm Katia, I am currently studying for Master degree in New Media Arts at the Polish-Japanese Academy. I am a graphic designer, illustrator and game developer.

Born in 1999 in Kyiv, Ukraine, I've finished high school and secondary education in Warsaw, Poland. I have experience in book illustration, graphic design and animation. I'm also educated in drawing and painting, have a well-developed illustrative style, and also have the skills of graphic art: linocut, dry needle, etching and screenprint.

Experience

- 2022 TRIPON DIGITAL
Motion designer
Creating animation of vector icons for the Moravian-Silesian Tourism website, representing sights in the Polish and Czech parts of Selesia for the Industriální pohraničí webpage
- 2020 Jan Karski Educational Foundation
Graphic designer / Illustrator
Creating of an information campaign for the educational program for youth. Preparation of a poster and a leaflet encouraging young people to actively participate in the program.
- 2019 Oberih Chasu
Children's book illustrator
Creation of a series of illustrations for fairy tales from around the world for children of early school age
- 2019 Public Art Center of Jan Skotnicki in Grodzisk Mazowiecki
Assisted in the teaching of drawing and painting of children aged 7-12 years old
- 2019 Support House for Warsaw Insurgents
Comic book artist / Animator
Creation of a multimedia comic based on the stories told by the participants of the Warsaw Uprising gathered around the Support House for Warsaw Insurgents until the 75th anniversary of the event.
